K80 up to 2x replaceable

series KU2000 with 360° free turnable pin

WALTERSCHEID – YOUR PARTNER ON THE TRACTOR REAR

Hydraulic toplinks with original Walterscheid hook, lower link hooks operated from the driver's seat, hydr. lateral stabilizers for a safe and comfortable work in difficult terrain – only a few milestones in the world of coupling technology developed by GKN Walterscheid within the last 30 years.

The integration of the former Walterscheid Cramer GmbH is another highlight and a big step forward on our track to bring more convenience and safety into agricultural business. A wide range of coupling ladders inclusive different inserts let Walterscheid become a full service provider for high quality coupling systems for tractors and self-propelled equipments. Focussing of safe and convenient coupling systems makes us to a partner for OEM's and farmers.

Walterscheid – we take agriculture forwards!
